

## Revenue Integrity Exploration: Scavenger Hunt

*Revenue Integrity Week is underway, and this year we are celebrating with the theme of Explore the Revenue Integrity Universe.*

*Revenue integrity experts are often assigned challenging tasks that put their exploratory skills to the test.*

*Are you the top revenue integrity explorer in your department? Show off your other worldly skills with the Revenue Integrity Week Scavenger Hunt. The rules are simple. Challenge your fellow revenue integrity explorers to see who can find the following items at the fastest pace to earn the title of top revenue integrity explorer—this can be done virtually with your team or within your facility. To elevate the stakes, you can award a prize for the highest score within your department.*

*Best of luck! Let the exploration begin!*
